It is possible that orders involving a conflict of interests and prejudicial to the interests of Muzzai institutions which are numerically larger and more important than Non-Muzzai institutions may be passed if there is a Village Committee of a Muzzan and a Non-Muzzan institution and if the Muz Sec authorizes the levy of fees in connection with the former

As interests will certainly suffer if the Rao Sahib permits the levy of fees in respect of a Non-Muzzabi institution at the same time, at the same place or at a very near place. It is therefore decided to deal with all these questions in one secretariat and in view of the importance of Muzzabi institutions it is clear that they are dealt with in the Muzzabi Secretariat.
